About Us

Bab Al Qamar is a renowned electrical and sanitary ware trader and distributor based in the Sharjah, UAE. Established in the year 2010, this venture has focused on bringing out in the market top quality products that are reasonably priced for residential and commercial use. We offer a wide range of countless products from electronic appliances, lightings, and hardware tools. Electrical cable, rubber flexible wires, electrical sockets, switches, bathroom accessories, LED bulbs, tubes, upvc pipes, kitchen equipments, fittings and more! All under one roof. Each of our products undergoes scrutiny for perfection and lack of defects as we are committed to delivering the very best to our esteemed customers.
